

Directions from Caton to LHTC

1. When you arrive at a village called Caton: take the exit off the mini roundabout for Brookhouse Road which is the one after The Station.
2. This road takes you through Caton and then into Brookhouse where you need to turn RIGHT at the 'Black Bull' onto Littledale Road.
3. Continue on this country road for approximately 2 ½ - 3 miles. After this distance the road bends sharply to the right. On the bend is a farm house on your right, a single track lane directly in front of you, and a signpost for 'Littledale Memorial Scout Camp' pointing to the right, **continue straight on taking the single track lane.**
4. Follow this lane for approximately ¼ mile, passing a farm and a couple of farm houses on either of the lane. As you drop down the small hill you will notice a gateway and a drive just off to the right. The drive is marked 'private' but has the LHTC logo on the gatepost. Proceed along this drive for approximately ½ mile, the hall is at the end and situated to the right in the car park.
